CLARIFICATION ON PROFESSIONAL REGISTRATION REQUIREMENTS

Notice of Competition Article 10.3, 10.5
Appendix B- Article 39 Law 3316/2005

«... the candidate designer or group of designers shall be required to submit a certificate of registration in any of the Professional Registers of practice of Article 39, Law 3316/2005 under any of the architectural classes **D** or **E** for design categories **6** 'Building Architectural design' or **7** 'Special Architectural design' ...»

Compliance to the above requirement shall be deemed satisfactory if one of the following conditions is true:

1. The Candidate designer or group of designers is **already registered in Greece** as specified above (i.e. architectural classes D or E for design categories 6 or 7). In such a case, the Candidate must present a recent certificate during the preparation for commissioning period (20-27th February).

2. The Candidate designer or group of designers is a **joint venture, consortium or other unincorporated group with a registered** and fully qualified professional or professional firm **in Greece** already possessing the required minimum qualifications as above (i.e. architectural classes D or E for design categories 6 or 7). In such a case, the Candidate shall name all associate professionals and shall provide all relevant legal documentation during the preparation for commissioning period (20-27th February). The following terms shall apply:

- (a) These persons/joint venture firms shall be deemed to be jointly and severally liable to the Employer for the performance of the Agreement;
- (b) Unless specified otherwise elsewhere in the Agreement, these persons shall be deemed to have accepted the Architect as their leader and have authority to bind the Architect and each of these persons; and
- (c) The Architect shall not alter its composition or legal status without the prior consent of the Employer.

3. **Overseas candidates** that do not belong to any of above categories (a) or (b) **but do comply with the requirements** set forth under *Article 39 Law 3316/2005 (APPENDIX B of the Notice of Competition)* architectural classes D or E for design categories 6 or 7 and **are registered in a Professional Register in their country** are required to submit an authentic and signed declaration of the respective authority of his/her country of origin that the certificate submitted is equivalent in all respects to the one requested by the Competition Notice.
