

CATEGORY: PREPARATION FOR COMMISSIONING

CIRCULAR **Ω 1** / 07-02-2013

A. Following the completion of second stage design submissions the Organizer will communicate to the participants' representatives, issues relevant to the preparation for the commissioning through notices, circulars and useful documents, posted on the section "Organizer's Announcements" of the controlled access area of the Competition website, which will be supervised by the Competition Procedures Committee.

The Organizer will upload the above material for information, guidance and timely preparation of all the participants. Participants are advised to read the uploaded material which will contain important information regarding contractual terms of commissioning and clarifications for the preparation of pre-contract documents. Participants shall be responsible for reading these circulars and other notices in a timely and adequate manner.

Registered design group representatives may submit any questions and requests for additional information and clarifications about contractual and procedural matters pertaining to the pre-commissioning and commissioning stages only through the appropriate Competition website, using their Personal Access Code (PAC2). Questions may be submitted from **February 7th to February 19th 2013** (only in English). Questions submitted either after the expiration of this deadline or in a manner other than specified in this paragraph, shall be disregarded. Also, questions that do not meet the anonymity condition will be eliminated by the Competition Procedures Committee.

The answers to participants' questions will be posted on the section "Organizer's Announcements" of the Competition website, in the form of circulars, as soon as possible (depending on the nature and complexity of the questions). These answers will be accessible to all participants entitled to take part in the relevant stage of the Competition procedure, by use of their PAC2 at the website login procedure.

B. From **February 20 to February 27, 2013** the Organizer, pursuant to article 10.3 of the Competition Notice, will invite for negotiation and mutual agreement the architect or the design team recipient of the first prize (or of first distinction). All participants are kindly requested to save those dates for the above purpose.
